Demolition Activity Disclaimer & Declaration

Pursuant to 19827.5 of the Health and Safety Code, a demolition permit shall not be issued by any city, county, city and county or state or local agency which is authorized to issue demolition permits as to any building or other structure except upon the receipt from the permit applicant of a copy of each written asbestos notification regarding the building that has been required to be submitted to the United States Environmental Protection agency or to a designated state agency South Coast Air Quality (SCAQMD), pursuant to Part 61 of Title 40 of the code of Federal Regulations.

The permit may be issued without the applicant submitting a copy of the written notification if the applicant declares the notification is not applicable to the scheduled demolition project. It shall be the responsibility of the applicant to accurately report any asbestos containing material to SCAQMD, or the lack there of by signing this form.

> *I (we) declare that notification to the US Environmental Protection Agency or to a designated state agency such as SCAQMD, pursuant to Part 61, Title 40 of the Code of Federal Regulations or the successor to that part is not applicable to the demolition project for which building permit application is made.*
