City Council Policy Discussion & Direction

- Consensus to have the park designer incorporate some or all of the resident comments from the Passive Park Study Session into a final design, including the possible partnership with the Indian Wells Historic Preservation Foundation.
  - Discuss and provide direction on an additional community meeting to provide any final input into the passive park design.

- Research possible partnership with Southwest Church and Desert Recreation District for the development of park amenities on the Southwest Church campus that includes park amenities of interest to Indian Wells (e.g., Pickleball, Dog Park, and any other amenities).

- City Council to provide any further discussion and direction on the Passive Park or other related park opportunities for 2023
